

## Lesson plan

Subject: Las vocales- The Vowels

Goal: Learn the vowels in Spanish

Materials Needed: Song Las Vocales, vowels written on flashcards

Targeted Age: 4-7

Time needed: 30-45 min.

## Activities:

- Using the flashcards review the vowels with the students, ask them to repeat one by one.  
Another option is creating flashcards with drawings of different things that start with the vowels. Example- A- Avión (airplane), E- Estrella (star), I -Isla (island), O-Oso (bear), U- Unicornio.
- Give coloring sheet with the vowels. Download available at our web page.
- Play the Song “Las Vocales” and sing it with the students. You can do this while they are coloring.
- Extra: Fill in the spaces with the right word for each vowel. Worksheet provided on website.
